

Bereavement Café at the Belgrade Theatre

We are piloting a new bereavement café for people age 50+ to create a welcome space for those coping with a loss and to find comfort in a shared experience.

You can use the time to have a cuppa, meet others, share your feelings and experiences and receive empathetic support.

The first date for the bereavement café is on **Tuesday 19th September at 10.00am to 11.30am.**

The café will be open **every Tuesday** morning at the same time and will run until the end October with a view of extending if successful.
