

Community Digital Skills

Do you find using the computer a challenge? Come along to our Community Digital Skills session to access free support!

What?

At our Community Digital Skills event, you will receive friendly 1 to 1 support to help you access online tools, resources and services. This could include; benefit calculators price comparisons website online resources for help with problem debt, grants and trust funds.

Where and When?

We're running the Community Digital Skills session at Foleshill Library on **Thursday 16th November** There will be two drop-in sessions that you can come to at **10am–12pm and 1pm–3pm.**

For Who?

Anyone is welcome to attend our drop-in session and receive help and support from one of our friendly, helpful volunteers!
